

Rabbit Recycling Service Agreement

This Service Agreement outlines the responsibilities of the client ("You") and Rabbit Recycling ("Us") regarding the provision and use of recycling bins. By using our service, you agree to the terms outlined below:

Our Responsibilities:

1. **Bin Provision:** We will provide you with a recycling bin for the collection of approved 10c refundable containers, including bottles, cans, and Tetra Pak drink containers.
2. **Regular Collection:** We will collect your recycling bin on a regular schedule (Wednesdays and Thursdays) or as otherwise agreed upon.
3. **Clean Bin Exchange:** At each collection, we will replace your full bin with a clean, empty bin.

Your Responsibilities:

1. **Proper Use:**
 - Only place approved 10c refundable containers in the bin.
 - Do not dispose of general waste, food scraps, or non-refundable materials in the recycling bin.
2. **Care for the Bin:**
 - Keep the bin in good condition and avoid any damage, graffiti, or misuse.
 - Ensure the bin is accessible on the scheduled collection day.
3. **Cap Removal and Crushing:**
 - Remove caps from all bottles before placing them in the bin.
 - If possible, crush containers to save space.
4. **Notification of Full Bin:**
 - Notify us by **Monday** if your bin is full and needs collection on the upcoming Wednesday or Thursday.

Damaged or Lost Bins:

You are responsible for the replacement cost of any bin that is lost or damaged due to misuse, neglect, or theft.

Termination of Service:

Either party may terminate this agreement with one week's notice. Upon termination, the recycling bin must be made available for return to Rabbit Recycling in good condition.

By using the Rabbit Recycling service, you agree to adhere to the terms outlined above. Thank you for supporting a sustainable future and helping Nick achieve his goals.
